If the machine used by a candidate, however, goes out of order, no extra time will be given to him to compensate for loss of time while the machine is out of order and being put right.

3. *Typewriting*.—Heads of institutions who are desirous that their pupils in this subject should be examined in batches, should make the necessary arrangements with the Chief Superintendent concerned *three* days before the examination in this subject and furnish him with all necessary information as to the number of candidates and machines and the time at which each batch should attend on the day fixed for the examination.

At least *every four* candidates must have *one* machine among them for the batch examination.

Instructors of institutions concerned will be allowed into the examination room in *the intervals between the examinations of the various batches* to inspect the machines and to remedy any defects.

If a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate the fact to the instructor if he is waiting outside on the premises, and will permit him to enter the room (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter; his action will be purely *ex gratia*, the whole responsibility resting on the candidate and the instructor. *No extra time will be given to a candidate to compensate for loss of time while the machine is out of order and being put right.*

4. A copy of the nominal list will be posted at the school concerned a day or two before the examination, and candidates will be expected to learn their numbers from this list; these numbers are the serial numbers of the Secondary School-Leaving Certificates.

5. Attention is drawn to the following rules:—

(1) No candidate will be allowed to enter the examination room unless he wears a clean and decent dress, and in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination room.

(2) No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

(3) No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answers.

(4) Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room and the circumstance reported to the Director of Public Instruction, Madras.

(5) *No candidate will be allowed to take into the examination room, notes, books, ruled sheets, manuscripts or papers of any kind.* Any one detected in the violation of this rule or having recourse to any unfair practices will be removed from the room and the occurrence reported to the Director of Public Instruction, Madras.

(6) Candidates whose names are not in the printed list furnished to the Superintendents must submit a written declaration through the Superintendents giving full particulars in regard to themselves including their address and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

(7) Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared must not expect to have their answers valued. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

(8) A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer-books. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will on no account leave his place.

(9) Any answer-books sent up without the candidate's name and number affixed will not be valued. The answer-books should be fastened together at the left-hand corner.

(10) Candidates will not be allowed to take any papers, except their question papers, out of the examination room.

(11) Candidates are forbidden to tear up papers or to throw ink or papers on the floor.

2. Candidates must not be below sixteen nor above twenty years of age on date of admission into *Medical School, i.e.*, on the 1st of July next, and they must produce testimonials (in original) as to character signed by either Europeans or Indians of respectable position, and certificates of age, vaccination, personal marks and physical fitness for military service signed by a Commissioned Medical Officer of the Royal Army Medical Corps or of the Indian Medical Service, as well as certificates of having passed the necessary educational standard. Ward orderlies recommended by the Medical Officer under whom they are serving may compete for the Indian Military Pupil class under the same conditions except that in their case the maximum age limit is extended to 25 years.

3. Admission is equally open to the sons of soldiers and of persons engaged in civil occupations; but, other things being equal, preference will be given to the sons of Native Commissioned and Non-Commissioned officers and soldiers.

4. Candidates who have passed the compulsory portion of the Upper Secondary Examination or the Matriculation Examination of the Madras University or who hold completed Secondary School-Leaving Certificates will be eligible to compete; in the case of holders of these certificates, however, a selection will be made by the Surgeon-General. OFFICIAL ADVERTISEMENTS.

SALE OF GREEN MANURE SEEDS.

As arrangements have shortly to be made for the collection and purchase of wild indigo [Kolingi (*Gorakgi*), Kovalai (*சணப்பை*), Kattavarai (*காட்டாமணக்கு*)], seed, and as it is impossible to procure any fresh supply after August, it would greatly assist the Agricultural Department if those who require seed for sowing after the next samba crop would book their orders now, stating what quantity will be required and by when it should be supplied.

Without such co-operation between intending purchasers and the Agricultural Department, it is not possible to forecast with any accuracy what the demand is likely to be and hence many intending purchasers who put off their applications until the sowing season arrives are likely to be disappointed.

The present green manure seed depots of the Agricultural Department are—

Tanjore district.	*Madura district.*	*Tinnevelly district.*
Tanjore	Madura.	Koilpatti Farm.
Kumbakonam.	Melur.	*South Arcot district.*
Shiyali.	Kumuram (Nilakkotai taluk).	Palur Farm.
Keradacheri.	Sholavandan.	*Trichinopoly district.*
Maeganallur Farm.	Virapandi.	Office of the Deputy Director of Agriculture, Trichinopoly.
	Chittampatti.	

All orders previously booked will be issued from the nearest depot, carriage to pay. The South Indian Railway kindly allow a concession rate of 1/6th pie per maund per mile over their system on all consignments of seed sent by goods train, which are certified by the Agricultural Department to be *bona fide* green manure seeds.

Owing to the rise in wages in the area where the seeds are collected, it may be necessary to advance the price of the seed from 2 annas to 2 annas 3 pies per Madras measure.

All orders for seed from districts south of Madras should be addressed to the Deputy Director of Agriculture, Southern division, Trichinopoly.
